## SITL to take place in pavilion 6 alongside Global Industrie

**NEW DATES: FROM 23 to 26 JUNE 2020**

**TAKING PLACE IN THE INITIAL HALL: – Pavilion 6 – Paris Nord Villepinte**

**Paris, 10 March 2020** – After it was announced on 4 March that SITL would be postponed, the SITL management team continued to work with Viparis to find a better solution for its exhibitors and visitors. The new definitive dates have been set for **23 to 26 June 2020 – at Paris Nord Villepinte.**

**On these dates, SITL will be held in its initial pavilion, pavilion 6, and will take place jointly with the Global Industrie event from Tuesday 23 to Friday 26 June.**

Thomas Desplanques, Divisional Director in charge of SITL, announced: “For several days now, we have continued to receive numerous messages of support from our customers and partners. This new date, with the same location, in pavilion 6, is excellent news and will be beneficial to our exhibitors and visitors. The space is very well suited to our demonstrations and to this sector, which has a host of solutions to present over the 4 days.”
