

The exhibition of laboratory materials
and services suppliers

Press release

October 21, 2020

SAVE THE DATE

Forum LABO PARIS

from October 5th to 7th, at Paris Porte de Versailles in France

The fifteenth Parisian edition of **Forum LABO**, the CIFL's * event organized by Reed Expositions, will take place **from October 5th to 7th, 2021** at **PARIS Expo** Porte de Versailles in Pavilion 3.

Forum LABO PARIS 2021 will be rethought and integrated into a larger format with hybridization and digitalization as key words, while retaining the fundamentals that have made physical editions so successful.

Forum LABO PARIS brings together **Research professionals** and the **best specialists** with their most innovative equipment and solutions, in the fields of research, analysis and control for all sectors of activity (Academic research, Cosmetics, Environment -Energy, Chemistry-Materials, Agro-Agri and Pharma-Biotechs ...).

In October, for 3 days, visitors and exhibitors will take the time to discuss and learn about the stands, the thematic villages as well as the training sessions offered by the exhibitors, conferences and congresses. scientists led by recognized speakers - scientists, university researchers, project managers, research engineers. Innovation will always be in the spotlight with the Innovation Awards, whose expert jury is made up of users from public and private laboratories and specialized journalists. Significant emphasis will be placed on the Lab'Meetings: these qualified and targeted business meetings are real accelerators of business opportunities, essential in the current context.

Forum LABO PARIS 2021 will bring its share of **new features** that will be unveiled to you in the coming months. Note this next meeting in your calendars!
